

# Workshop on Power Technology

Organized by

**National Power Technology Institute, Badarpur, New Delhi**

(A National Apex Body for Training in Power Sector)

**Ministry of Power, Govt. of India**

&

**Shambhunath Institute of Engineering & Technology, Allahabad**

**Sept.18-20, 2017**

Workshop will be conducted by senior resource persons from NPTI and Nuclear Power Corporations Limited.

The course contents are designed in such a way that the live scenario of Thermal power generation will be presented, explained and demonstrated to the participants with the help of state of the art CBT's. Participants aspiring for their career in power sector companies (Thermal power, allied sector and other infrastructure companies) will specifically be benefitted. A thermal power plant can function only with adequate competence of professionals of the EE/ME/I&C trades. Faculties of Engineering and Technology in EE/ME/I&C trades may also attend and enhance/update their skills in power sector.

**Duration: 3 days (3 hours each day)**

Last date for Registration: **August 30, 2017 4.00 p.m.**

(Note: Seats are limited so registrations will be done on first come and first served basis. No cancellations will be entertained.)
